Dear Parent/Guardian:

Chatsworth Charter High School has been authorized by the California Department of Education to operate a Title I School-Wide Program. As a result, the school receives resources from the state and federal governments that enable us to upgrade the entire educational program in order to help all students meet the challenging state standards.

A comprehensive needs assessment and an analysis of the student achievement data were conducted to develop a School Plan for Student Achievement. This was completed through the collaborative efforts of staff and parents. The schoolwide program includes strategies to raise the academic achievement of all students.

The products and services available from the school's Title I resources to assist your child include the following:

- Three Class size reduction teachers
- One Counselor
- One Categorical Program Advisor
- Pupil Services and Attendance counselor – two days
- After School Tutoring
- ActivePanel Boards
- Laptops for teachers
- Printers

Please attend the annual Title I meeting to be held in person in the Parent Center on Wednesday, October 26. If you are unable to attend in person, you may also join via Zoom. The Zoom ID is 845 6841 9889, passcode lower case: cchs.

If you have any questions or concerns regarding your child's participation in the program, please contact me via email at ncs8787@lausd.net

Sincerely,

Noe Solares, Title I Coordinator
