

Parent Education

Have you ever had a difficult time talking to your teen about substance abuse? In partnership with the Wellbeing Center, the Planned Parenthood Los Angeles Promotoras Comunitarias are here to help! We'll give you the tools to have these discussions in a way that's comfortable for both you and your teen.

TOPIC

Substance Abuse in Youth

November 8, 2023

Overview of most common drugs used by adolescents, age of initiation, risk factors and protective factors will be shared and discussed. The session covers alcohol, vaping, cannabis and opioid use. Participants will analyze what families can do to reduce the risk.

 Chatsworth High School
Parent Center

 Wednesday- 9:00 am - 10:30 am
