Dear Parents and Guardians,

We encourage you to make a difference in the governance of our school by participating in this year's School Site Council (SSC). The SSC is mandated under California Education Code 65000, and it makes decisions regarding the School Plan for Student Achievement, categorical funding and other related matters. The SSC represents all our school collaborators, and it is comprised of parents, students, teachers and other school staff. We will hold an orientation meeting for all who are interested in participating in the School Site Council.
